- › 5G connectivity will enable lots of new IOT applications
  - › Big data bandwidth accessible all over the planet
- › Project Focus will be a major step ahead in S&T's IOT strategy
  - › Clear focus on IoT globally

### INTERESTING INVESTMENT STORY

- › Experience in successful acquisitions and restructurings
- › Clearly focused IoT Player, special dividend and share buy back policy after potential Project Focus
- › Strive for continuous Governance and ESG improvements

# DISCLAIMER

---

This document includes 'forward-looking statements'. Forward-looking statements are all statements, which do not describe facts of the past, but containing the words "believe", "estimate", "expect", "anticipate", "assume", "plan", "intend", "could", and words of similar meaning. These forward-looking statements are subject to inherent risks and uncertainties since they relate to future events and are based on current assumptions and estimates of S&T AG, which might not occur at all or occur not as assumed. They therefore do not constitute a guarantee for the occurrence of future results or performances of S&T AG. The actual financial position and the actual results of S&T AG, as well as the overall economic development and the regulatory environment may differ materially from the expectations, which are assumed explicitly or implicitly in the forward-looking statements and do not comply to them. Analysts and investors, and any other person or entity that may need to take decisions or prepare or release opinions about the shares / securities issued by S&T AG are cautioned not to place undue reliance on those forward-looking statements, which speak only as of the date of this document. Past performance cannot be relied upon as a guide to future performance.

Except as required by applicable law, S&T AG undertakes no obligation to revise these forward-looking statements to reflect events and circumstances after the date of this presentation, including, without limitation, changes in S&T's business or strategy or to reflect the occurrence of unanticipated events. The financial information and opinions contained in this document are unaudited and are subject to change without notice. This document contains summarized information or information that has not been audited. In this sense, this information is subject to, and must be read in conjunction with, all other publicly available information, including if it is necessary, any fuller disclosure document published by S&T AG. None of the Company, its subsidiaries or affiliates or by any of its officers, directors, employees, advisors, representatives or agents shall be liable whatsoever for any loss however arising, directly or indirectly, from any use of this document its content or otherwise arising in connection with this document.

This document or any of the information contained herein do not constitute, form part of or shall be construed as an offer or invitation to purchase, subscribe, sale or exchange, nor a request for an offer of purchase, subscription, sale or exchange of shares / securities of S&T AG, or any advice or recommendation with respect to such shares / securities. This document or a part of it shall not form the basis of or relied upon in connection with any contract or commitment whatsoever.

This document does not constitute an offer to purchase securities in the United States, Canada, Australia, South Africa and Japan. Securities, including the bond of S&T AG may not be sold or offered for sale within the United States or to or for the account of / in favor of US citizens (as defined in Regulation S under the U.S. Securities Act of 1933 in the current version (the "Securities Act") unless they are registered under the regulations of the Securities Act or unless they are subject to an exemption from registration. Neither S&T AG nor any other person intend to register the offer or a part thereof in the United States or to make a public offer of the securities in the United States.
